

## ...Into The Sunset

After much thought and careful consideration, I would like to announce my retirement from United Parcel Service which took me on a 35 year journey. On November 1st, with reluctance and a heavy heart, I will mount up on my horse named "Ole Brownie" and ride off into the sunset knowing in a short time I will become a faded "brown" memory.

I would like to say thank you to the people of this wonderful valley for allowing me to serve you and become part of your family for the last 24 years. This is a lush and beautiful valley but I soon realized it's true beauty lies within the people who live here. I've always marveled at your support of the area's sports program and have seen your kindness and care once again with the building of the Hillman House Project that I was so honored to be a part of as well. Many thanks for allowing me to hold your newborn babies, and letting me try to convince your children of my magical Mattman powers and embrace your pets as my own. Words can't express the gratitude I have for each of you and feel blessed beyond measure to have been your Delivery Provider. Know this, as I move on to the next phase in my life, I will look back to the North, toward this wonderful valley and with a smile on my face and joy in my heart, know that I was the lucky one because of all of you.

Sincerely,

Matt Branham
